They island, and can assure you it is a grand will not support a cut-and-dried land, with marvellous resources nomination, nor lend themselves to mirable, and I am sure will prove faadvance the "claims" of any man. vorable for Americans and Europ They want such a Mayor as Ames for whom—once Cuba is a State of the Woodbuff would make. They want Union—it will afford a great field for such a man as he is known to be.

They want a man who is above lendwrite you details in full, if I am spared ing himself to the purposes of any to get through.

coterie, who is above personal obligation in the purpose of any to get through.

tions, and who, untrammeled by greatly on several occasions, more than ever before in my life. It was pledges of any kind, can enter upon than ever before in my life. It was necessary to give an example to the the duties of the Mayoralty with an men who will fight under such circumeye single to the good of the people he stances. They will make excel is called upon to serve. Such a man infantry with good officers, but their officers are as poor a lot as could well be, and will not be taught; that is the have or prepare to be beaten by main and great trouble, for their con-any of the opposition or inde-ceit and self-sufficiency are only Have in pendent candidates who have equalled by their want of capacity announced it their purpose to full shape. The negroes are amon their best soldiers also. In the Unite If the Democratic party, represented by the body that will assemble to-day, shall make a nomination of one who will answer in his person all the ex-often as others, and some of their best pectancies of the people, we can elect at that. In my escort are blacks-him. If they do not—if mere per- with a black sergeant. Blacks are sonal considerations, in opposition to seen as color bearers.

them, and we are given a man who is recognized as the head of a clique, ring, coterie or There is a reasonable hope that the corner, then we are overboard; beaten. To guard against such a result House will be defeated in the Senate. Certainly it should be, for the whole should be the first care of the Conven- arrangement is a corrupt scheme to tion. Whatever is likely to interfere with or break in upon the harmony that should prevail, and that is essential to the success we desire, must be carefully suppressed; and delegates other census have been accomplished in this way. should determine upon a course that will not only conduce to a quiet and decent solution of the task before them, but conscienciously to do their whole duty by the results whose districts cover the whole geographical face of the country. These commercations are regarded as entirely reliable, and show a most credition. by the people whom they propose they represent. We must have a didition to the population of the nation. From 1888 to 1868, the increase

nomination that will command the is thus summed up: respect of all classes. Such a result of Divisions. the labors of the Convention is necessary to the integrity of the Democratic party no less than to the "safety, honor and welfare" of the whole people of Mesonbik Approprie 31.450.301 %,452,865 6,978,074 Compared with 1860, it will be seen

BRIBERY AND CORRUPTION.

SITS,000 Gives to Ralical Sensiors—Beast Buffer's Silence.

The Cincinnati Gazette (a very Badeal paper) says:

Congress spent much time and money investigating the corruption connected with the impeachment and equitted of Andrew Johnson; but it remained for the Washington correspondent of the Gazette to lay before

THE DAILY APPEAL

Is sent by mall to subscribers, one year, \$10; of that extraordinary affair. This has states, or 107,789; while Tennessee increase quarter, \$2.50; less than one quarter, \$1 atturally attracted general attention, Berved by carriers anywhere in the city and subarise at Twanty-Five Cents, per week sunday -hillen included.

THE WEERLY APPEAL, Published every Wednesday morning, is sent to talk with him; nevertheless, he wrote cut three columns of what purported to be a conversation.

Southern States shows a net increase have attempted to enlarge upon it, by interviewing two of the principal assures a population for 1870 in excess of 40,000,000. When such facts and figures to talk with him; nevertheless, he wrote cut three columns of what purported to be a conversation. ported to be a conversation.

But what Wendell did say confirm-there for creating a new batch to eat dent. It is thus established:

1. Wendell was the chief manager on the part of the friends of Mr. John-

THE HORSE IN COURT.

Ten Breeck Brings a Racing Lawsuit Against Morris,

neybut, of course, he knows who did. The New York Tribune says a singular case came up before Judge Freedman, in the Superior Court in this city, on Tuesday, last . Four Senators were bribed to vote against impeachment, receiving alto-4. Trumbull, Fessenden and Grimes 5. Seward, Randall and McCulloch Broeck, against Mr. Francis Mora the well-known breeder and owner o 6. A large amount of money was race horses. It will be remembered obtained over and above that used, that in the fall of 1856, Mr. Ten which was pocketed by the men who Broeck took over to England four American and the first the men who handled the money, and that thus it might be the corrupt Senators; but by Boston out of Reel, and Charles by Sovereign out of Milwood b not press, and hence the Congressional Monarch. All these horses had dinvestigation amounted to nothing. And now it comes to this: There are American turf, and it was thoug men in the United States Senate who that they would be able to test fair were bribed to vote against impeach the boasted superiority of the Engli ment. This concerns the Senate, and it concerns the public, and the former owes it to its own dignity and to the interest of the latter to find out who before going abroad, and were, in rethese men are and expel them. Our ality, only patched up horses. A long correspondent has furnished the key, rest was given the American quartet a moderate use of which will open the door and expose all that remains to be in England in the fall of 1856, so that they might become thoroughly accil-matized before making their appearance on the turf. The Goodwood Car run for in July of the following year, was the race selected for their debut, and Priorand Prioress, in consequen the other two, Lecompte and Facts of the War and Brutality of Charleston, having gone amiss, were selected to do battle for the honor of the American turf against the oppos-

ing representatives of England and France. Gilpatrick, at that time the best jockey in country, was specially engaged to go over and ride the selected champion BUCNEY, CUBA, November, 1869 .- in this race, and a large delegation of Editors Appeal: As you may know, the wealthiest and most prominent I was left here in command of a large department (State of the East), but I the Atlantic to witness the moment-England, running his horses with va-The conduct of the United States ried success, and at times renewing may be conserved, and the interests of Memphis be advanced. From this class our next Mayor must come. Memphis needs the services of a sober, discreet, earnest worker; a man of ability, of standing, of moral worth, and of capacity to understand the financial difficulties.

Is suffered to buttress itself and crush out the life of this people by means of war drawn from the United States out of the whole his racing enterprise was not a success. In 1859, Mr. Ten dalous law with your pen.

You cannot conceive anything like forcely with which the Spaniards carry on this war. Nothing that has been reported reaches the terrible to understand the financial difficulties.

The Brocek's stable was composed entirely of English bred racers, but on the whole his racing enterprise was not a success. In 1859, Mr. Ten Brocek's stable was composed entirely of English bred racers, but on the whole his racing enterprise was not a success. In 1859, Mr. Ten Brocek's stable was composed entirely of English bred racers, but on the whole his racing enterprise was not a success.
